- d) make suitable arrangements for the temporary impoundment and sale, disposition, or destruction of animals other than a Dog, Cat or Domestic Pet that are apprehended, including Restricted Animals and wild animals within the meaning of *The Wildlife Act*.
- 3(6) Where permitted under the contract with the Municipality, the Poundkeeper may, at its own expense, keep an impounded animal for longer than the prescribed hold period.
- 3(7) An Owner of an apprehended animal (not including an Aggressor Animal or Dangerous Animal) may reclaim it:
- a) upon payment of the charges set out in Schedule B;
 - b) in the case of a Dog or Cat, upon producing a certificate from a licensed veterinary surgeon stating that it has been vaccinated against rabies on a date no more than two years prior to December 31 of the current year; and
 - c) in the case of a Dog that is required to be licensed, upon producing a current licence.
- 3(8) If no one claims ownership of the animal within 10 days, it may be given to an animal shelter or sold.
- 3(9) If for any reason it is not possible to rehouse the animal under Subsection (8), Council may authorize its destruction.

PART IV DOGS AND CATS

LICENSING OF DOGS

- 4(1) The Owner of a Dog over the age of four months (except a registered guide Dog for the visually impaired) located within a Townsite must obtain and renew annually a license to keep the Dog, which license shall require the payment of the annual fee set out in Schedule B.
- 4(2) Dog licenses will be sold by the Municipality.
- 4(3) The Owner must ensure that the license tag issued for the Dog is securely fastened to a collar worn around the Dog's neck.
- 4(4) The license fee shall be due and payable on the 1st day of January in each year and shall expire on the 31st day of December in that year.
- 4(5) If a license tag is lost or damaged, the Owner must immediately apply for a replacement license tag, the cost of which is set out in Schedule B.
- 4(6) Where a change in ownership of a licensed Dog occurs, the new Owner must have the current license transferred to their name upon payment of the transfer fee set out in Schedule B.
- 4(7) A licence is not required for a Dog brought into the Municipality on a temporary visit.

- 4(8) A Dog Owner must produce, before a license is issued or renewed for a Dog, evidence of a Current Rabies Vaccination status for that Dog from a licensed veterinarian. A Current Rabies Vaccination certificate must have a date of no more than two years prior to December 31 of the current year.
- 4(9) Subsection (8) does not apply if the Owner produces a statement signed by a licensed veterinarian certifying that the Dog cannot be vaccinated for rabies for medical reasons.
- 4(10) The Animal Control Officer or Municipality may refuse to issue or renew a license for an animal if the Owner has been issued penalty notices for contravention of this By-Law three or more times within a 24-month period.
- 4(11) Upon refusal to issue or renew a licence, the Animal Control Officer or Municipality must provide written notice to the Owner including:
- (i) reasons for the decision;
 - (ii) information respecting the right to appeal.
- 4(12) The Owner may appeal a decision under Subsection (11) to Council within 10 days of receipt of the notice.

RESPONSIBILITY OF OWNERS REGARDING DOGS AND CATS

- 5(1) The Owner of a Dog or Cat must not
- a) permit it to Run at Large;
 - b) permit it to pursue, bite, wound or worry a person or animal, whether or not on the property of the Owner;
 - c) permit the Dog to bark or howl or Cat to meow or make noise so as to unduly disturb the quiet;
 - d) permit it to defecate on public or private property other than that of its Owner, unless the excrement is immediately removed;
 - e) permit it to defecate on the Owner's property to an extent that constitutes an environmental or health hazard or a nuisance for neighbours;
 - f) permit it to damage public or private property other than that of the Owner;
 - g) permit it to be on any municipally owned playground;
 - h) permit it on public property unless on a leash and in effective control of the handler, unless the property has been designated by the Municipality as a place upon where Dogs or Cats are not required to be on a leash;
 - i) permit it to upset waste receptacles or otherwise litter;
 - j) permit contact between a female Dog or Cat in heat and any other Dog or Cat except those owned by the same Owner or by another Owner who permits such contact;
- 5(2) Clauses (g) and (h) do not apply in the case of registered guide dogs.
- 5(3) The Animal Control Officer may at any time request that an Owner provide proof that the Owner's Dog or Cat has Current Rabies Vaccination status and, if the Owner cannot produce such proof, terminate the Owner's Dog license, and in the case of a Dog or Cat, apprehend and impound the animal.

CAT TRAP

- 6(1) A person who wishes to apprehend a Cat Running at Large may on application obtain a trap from the Poundkeeper or the Animal Control Officer.
- 6(2) The person must comply with terms and conditions for the use of the trap, including terms and conditions governing the treatment and disposition of a trapped Cat, that may be imposed by the Poundkeeper or Animal Control Officer.
- 6(3) Deposits and fees for use of the trap are set out in Schedule B.

PART V AGGRESSOR AND DANGEROUS ANIMALS

ANIMAL BITES

- 7(1) The Animal Control Officer may apprehend, impound and place in quarantine any animal that the Officer has reason to believe has bitten a person, whether or not the skin was punctured or lacerated by the bite.
- 7(2) Subsection (1) does not apply to a police service Dog owned by a public law enforcement agency while on duty and under the control of a qualified Dog handler.
- 7(3) If an Aggressor Animal is not voluntarily surrendered to the Animal Control Officer on demand, the Animal Control Officer may enter the premises where the animal is kept and apprehend and impound the animal.
- 7(4) An impounded Aggressor Animal so apprehended and impounded at the pound shall be quarantined for 10 days at the Owner's expense.
- 7(5) The Animal Control Officer may in his discretion authorize the Owner of the Aggressor Animal to quarantine it for the 10-day period in a place other than the pound, provided that such place is under the direct supervision of a licensed veterinarian.
- 7(6) The Animal Control Officer must document each bite incident and submit the record to the Chief Administrative Officer on a timely basis.
- 7(7) If an animal quarantined for biting dies while quarantined and prior to veterinary examination, the Animal Control Officer must submit its head to the Canadian Food Inspection Agency for rabies examination.
- 7(8) The Animal Control Officer must arrange for examination by a licensed veterinarian prior to release from quarantine. The Animal Control Officer must determine whether or not the Aggressor Animal can be released from quarantine (with or without conditions) or must be destroyed or otherwise disposed of based upon the following factors:
 - a) the medical report of the licensed veterinarian who has examined the Aggressor Animal;
 - b) whether or not the public health authorities are prepared to consent to the release of the Aggressor Animal;
 - c) the severity of the bite incident, the circumstances surrounding the incident, and the consequences of the incident;
 - d) whether or not the Aggressor Animal is in the opinion of the Animal Control Officer a Dangerous Animal and if yes, whether or not the provisions of Section 10 have been complied with;
 - e) whether or not the Aggressor Animal is a Restricted Animal and if yes, whether or not the provisions of Part VI have been complied with; and

- f) proof that the Aggressor Animal does not have rabies and had a Current Rabies Vaccination status on the date of the bite incident.
- 7(9) The Animal Control Officer may impose conditions in the interests of public safety on the release of an Aggressor Animal from quarantine, including but not limited to the following:
- a) the Owner to take measures to ensure that the animal is confined to the Owner's premises in such a manner as to prevent escapes and to ensure that all direct contact from other animals and persons other than the Owner is avoided;
 - b) the Owner to post in a conspicuous location at each entrance of the premises where the animal is confined a sign reading **"Beware of Aggressive <type of Aggressor Animal>"**;
 - c) the Owner to submit the animal for veterinary examination at specified intervals and to provide the results of examination to the Animal Control Officer;
 - d) the Owner to obtain and maintain liability insurance provide comprehensive general liability insurance for bodily injury (including death) and property damage in an amount of not less than \$1,000,000 inclusive limit for any one occurrence and such policy and provide the Officer with certificates of insurance on request.
- 7(10) An Aggressive Animal shall not be released unless:
- a) the charges set out in Schedule B are paid; and
 - c) in the case of a Dog that is required to be licensed, upon producing a current licence.

DETERMINATION THAT AN ANIMAL IS A DANGEROUS ANIMAL

- 8(1) Where the Animal Control Officer has reason to believe that an animal is a Dangerous Animal, the Officer can make that decision and provide his report to the Chief Administrative Officer and to the owner.
- 8(2) When an Animal Control Officer declares an animal a Dangerous Animal, they may declare the Dangerous Animal and either to be released with conditions or destroyed.
- 8(3) If the Owner unconditionally accepts the Animal Control Officer's decision of the matter, no hearing shall take place, and the decision of the matter shall constitute a final order.
- 8(4) If the owner does not agree with the Animal Control Officers decision, then they can appeal to Council. by providing notice in writing to the Chief Administrative Officer.
- 8(5) The Animal Control Officer may require that a Dangerous Animal be quarantined in the pound until Council has made its decision on the appeal, or, if of the opinion that it is safe to release the animal, may do so under one or more conditions set out in Subsection 7(10).
- 8(6) The Municipality must provide notice of the hearing to the Owner and a copy of the Animal Control Officer's report at least ten days in advance of the hearing.
- 8(7) The notice must include the following information at a minimum:
 - a) the time, place and purpose of the hearing;
 - b) a copy of this Section 8 of the By-Law;

- c) a statement that if the Owner does not attend the hearing, the matter will be dealt with in their absence and that they will not be entitled to any further notice in regard to proceedings concerning the animal; and
 - d) a statement that if the animal is determined to be a Dangerous Animal, Council shall decide whether the animal is to be destroyed or released to the Owner on certain conditions;
- 8(8) The Owner may appear at the hearing, with or without counsel, make submissions, call evidence (whether viva voce or documentary) and respond to the Animal Control Officer's report and recommendation.
- 8(9) Following the hearing Council may make an order upholding the Animal Control Officers decision or amend it.
- 8(10) The Municipality shall deliver a copy of their decision to the Owner in the manner provided in Subsection 12(4), or to an address provided by the Owner.

CONSEQUENCES OF DANGEROUS ANIMAL DECLARATION:

- 9(1) An Owner of an animal that has been declared to be a Dangerous Animal which has been released to its Owner must:
- a) in the case of a Dog, obtain a Dangerous Dog license;
 - b) while on private property, keep the animal securely confined indoors or in a securely enclosed and locked pen, structure or compound that:
 - i) is capable of preventing the entry of children and the escape of the animal; and
